Be A Boy Scout

I've got trails to hike,
and I'll hike 'em, hike 'em, hike 'em.
I've got trails to hike, I say.
I've got trails to hike,
and I'll hike 'em, hike 'em, hike 'em.
I'll hike 'em 'till the break of day.

And I will be a Boy Scout, be a Boy
Scout, be a Boy Scout, I will do my best.
And I will be a Boy Scout, be a Boy
Scout, be a Boy Scout, do my best.

I've got fires to build...

I've got knots to tie...

I've got tents to pitch...

Gilwell Park

Did you know...

Gilwell Park was purchased for The Scout Association in 1919, by Mr. de Bois MacLaren for £10,000.

A 2nd World War air-raid created the "Bomb Hole" which was enlarged and is used for canoeing.

The Greenwich Meridian (the line of zero longitude) runs through the campsite.

Troop 1 To Return To Gilwell Field

Troop 1 is due to arrive at Gilwell Field by 8 AM on Friday, October 26. The participants should wear their Field Uniform over their Troop 1 t-shirt.

Upon arrival, participants should park at Flop Jackson (same parking lot as the first weekend). There will be a trailer in the parking lot to drop off your chair and tools for the conservation project. Take your backpack to the pavilion and make a pack line by patrol. As soon as your entire patrol arrives, get in line for your patrol photos.

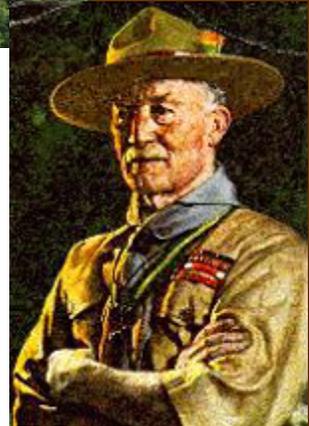

Following all of the Patrol Photos, there will also be Troop 1 photo. Immediately after this photo, change out of your Field Uniform shirt and pack it in your backpack. There

will be staff available under the pavilion to assist you in adjusting your backpack for a proper fit. A properly adjusted pack makes a huge difference in the enjoyment of the hike.

Remember to bring your name badge and notebook!

"Setting the goal is not the main thing. It is deciding how you are going to achieve it and staying with the plan."
